AHPRA Registration Number MED000XXXXXXXX ([provisional/general] registration; no restrictions)  
RACP Member Identification Number (MIN) XXXX

**Caveat:** this resume is one suggestion for how to organise a resume for junior doctors, in particular RMOs planning to apply for BPT training. Of course, you should customise your resume as appropriate for each application, and have it reviewed by relevant senior clinicians prior to each application.

–Tim West, July 2016. (tim@jacksonwest.org)

## Summary

---

*Personal statement here*

## Education

---

2016      Qualification  
            University  

- Thesis title
- Awards received
